PROFESSIONAL SUMMARY

Aspiring Data Scientist with hands-on experience in Python, Machine Learning, AI, and Data Analysis, supported by an MBA in Human Resources, MA in Clinical Psychology, and BA in English Literature. Experienced in developing machine-learning and deep-learning projects using ANN, CNN, TensorFlow/Keras, and Pandas. Brings a unique combination of technical, analytical, business, and communication skills, with a strong interest in building a career in Data Science, AI/ML, and Analytics.

TECHNICAL SKILLS

Programming: Python, SQL, R

Data Science: NumPy, Pandas, Scikit-learn, Statistics, Data Mining, EDA, Feature Engineering

Machine Learning: Regression, Classification, Clustering, Cross-Validation, Predictive Modeling, Ensemble Methods

Deep Learning & AI: TensorFlow, Keras, ANN, CNN, RNN, NLP

Data Visualization: Matplotlib, Seaborn, Excel, Tableau

Tools: Jupyter Notebook, Google Colab, VS Code, Git, GitHub

PROFESSIONAL EXPERIENCE

Amazon Ads – Trust Operations

Content Reviewer | July 2022 – April 2025

Reviewed and evaluated advertising content according to established policies and quality standards.

Handled high-volume cases while maintaining accuracy and productivity.

Applied policy guidelines consistently and escalated complex cases when required.

Collaborated with team members to maintain quality and operational standards.

PROJECTS

SignBridge AI — ASL Fingerspelling-to-Text Recognition Using Deep Learning

Developed an end-to-end deep learning system for continuous ASL fingerspelling-to-text recognition using **MediaPipe hand landmarks, Temporal Conv1D, Bidirectional GRU and CTC**. Built the video preprocessing, training, decoding and CER evaluation pipeline in **TensorFlow/Keras**, achieving **16.32% best validation CER** and **15.96% later cached FSBoard test-split CER**. Developed an interactive **Gradio webcam prototype** for near-real-time recognition.

Tech: Python · TensorFlow/Keras · MediaPipe · OpenCV · NumPy · Pandas · Gradio

EDUCATION AND CERTIFICATIONS

Certificate in Data Science & AI

KELTRON | 2026

MBA – Human Resource Management

Indira Gandhi National Open University (IGNOU) | 2025

Specialization in Human Resources; research in Emotional Intelligence & Performance Management.

MA – Clinical Psychology

Indira Gandhi National Open University (IGNOU) | 2021

Research in Happiness & Personality Traits.

BA – English Literature

Indira Gandhi National Open University (IGNOU) | 2017
